1. What would I like to be doing right after I graduate from high school?

...............................................................................................................

...............................................................................................................

...............................................................................................................

2. Where do I see myself in five years?

...............................................................................................................

...............................................................................................................

3. List the names of people and organizations that can help you set and reach those goals. (i.e. parents, teachers, employment specialists).

...............................................................................................................

...............................................................................................................

...............................................................................................................

Now that you have set some goals and identified people who can help you achieve them, it may help to create a timeline of things you need to do to get where you want to go. This can be in any format you wish- you may want to draw it, make a list, or just write it out.
